

2016 Economic Round Table Report - Innovation Antelope Valley

We are pleased to announce that Kishor Joshi, CEO of Pertexa has been chosen to speak at the 2016 Economic Round Table Report meeting in Lancaster, California.

The theme for their March event is **Innovation** and they will be highlighting some of the amazing business stories they captured for the 2016 Economic Round Table Report. Their speakers will walk the attendees through the demographics and data from the Report and feature one of the regions' most innovative new healthcare businesses, our own Kishor Joshi, who will introduce the guests to Radekal, the nations leading productivity tool and RITA the Robot.

The event is being held on Thursday, March 17, 2016 at the U. A. V. Grand Ballroom located at 44055 Sierra Highway in Lancaster, CA.

About Pertexa:

Pertexa, Inc. is a next-generation medical technology company headquartered in Ridgecrest, California that creates and distributes advanced technology including RITA and RADEKAL, the nation's leading Physician's Productivity Tool, which has been shown to increase productivity by 30%. By combining both hardware and app development for worldwide medical use, Pertexa is an innovative brain trust, advancing disruptive transformational technologies for an evolving healthcare environment.
